SUICIDE MAKES POLICE STUDY

NO MOTIVE CAN BE FOUND FOR THE RASH ACT OF A GIRL—NO LETTERS LEFT—HAD MONEY AND FRIENDS

United Press Service
SAN FRANCISCO, April 14.—The police are puzzled to find an excuse for the suicide of Olga Tehomovich at the St. Francis hotel. The woman left no writings of any kind, and over \$1,000 was found in her possession. A rumor that she had quarreled with her fiancé, a man named Upham, has been denied by him. He says it was their intention to be married at an early date.

FEDERAL GOVERNMENT ASKED TO APPROPRIATE ELEVEN MILLION, AND STATE TO SPEND TWICE AS MUCH

United Press Service
WASHINGTON, D. C., April 14.—A bill authorizing the expenditure of \$11,000,000 on improvements in the Sacramento River and tributaries in the next eleven years was introduced today by Perkins. The bill requires the state to spend twice that amount.

MANY SINGERS FOR CANTATA

INITIAL MEETING OF CAST AND DIRECTOR WILL BE HELD AT GRACE METHODIST CHURCH THIS EVENING

Members of the cast who are to present the musical entertainment under the direction of the Lyceum Bureau will meet this evening at the M. E. church to discuss arrangements, etc., with J. B. Mason, who will direct the entertainment.

The singers of the city have entered heartily into the plan of getting up the proposed cantata. The consensus of opinion is that the greatest chorus ever assembled in the city will render this program of exercises.

I absolutely guarantee all my work to give entire satisfaction.

FAST GAME IS PLAYED SUNDAY

SPLENDID WORK OF OPPOSING SLAMSTERS AND SNAPPY IN-FIELD MANEUVERING RESULTS IN 4 TO 2 SCORE

With the opposing batteries working in big league style and keeping the hits scattered, while the infielders worked with a clockwork precision, Sunday's game between Oliver's Specials and the Klamath Falls team was a great surprise to the little knot of fans who turned out. The score at the close stood 4 to 2 in favor of the Specials.

Shive was on the mound for the Specials, while at the receiving end Thresher was stationed. Both pulled together admirably, and the grocery expert dished out an assortment of slants and dips, delivered at a great variance of speeds, such as is seldom seen in the brush.

Ambrose and Nicholson did some great work for the defeated team, and the infield behind them worked like trojans.

Wilson and McCleary umpired, and the teams lined up something like this:

Specials—Shive pitcher, Thresher catcher; Clair Arnold first base, Capron second base, Hayden third base, George shortstop, Maxwell, Hoagland and Oliver, outfield.

Locals—Ambrose pitcher, Nicholson catcher, Chilton first base, Otto Arnold second base, Hurn third base, Messner shortstop, Noel, Linkenbach and Kinney outfielders.

Next Sunday afternoon Modoc Park will be the scene of a baseball encounter between the Specials and the Kadees.

ATHLETICS AT FAIR ARRANGED

SECRETARY SULLIVAN OF THE A. A. U. IS NAMED TO TAKE CHARGE OF THIS FEATURE OF THE EXPOSITION

Special to The Herald
SAN FRANCISCO, April 14.—Jas. E. Sullivan, secretary treasurer of the Amateur Athletic Union of the United States, and the foremost authority on amateur athletics in the world, has been appointed athletic director of the Panama Pacific International exposition. His appointment means that the athletic program during the exposition year will be one of the great features of the coming 1915 Universal exposition.

Before leaving Athletic Director Sullivan outlined the following program of athletic events that will be seen at the exposition:

Lawn tennis, archery, swimming, gymnastics, all-round athletics, modern Pentathlon, Pentathlon, Decathlon, cycling, soccer, baseball, hand ball, fly-casting, trap shooting, rifle shooting, polo, military tournaments, roque, flying machine contests, auto races, golf, rugby, la crosse, playgrounds, elementary, intercollegiate meets, national college championships, Pacific coast inter-collegiate championships, state inter-collegiate championships, motor boats, barge racing, rowing, motor cycling, national athletics, boxing, wrestling, fencing, basketball, and other events yet to be named. The rowing races will in all probability be held in the estuary on the Oakland side, and the golf tournaments will be held over a local club's course.

"The program outlined," said Athletic Director Sullivan, "will bring to San Francisco every world's champion. The stadium to be constructed will be the most remarkable ever constructed. Its equipment will surpass the stadium of London, Stockholm and Athens. It will have something wholly new in athletic events—a quarter-mile straight-away track, on which I expect to see a good many world's records fall."
